

## ACCESS to *ANDROLOGY* for EAA MEMBERS

- **Who is eligible:**

Access to *Andrology* (online + printed issues or online-only, depending on your preference) is included in the annual membership fee of Academicians and Affiliated Members. So to access *Andrology* as an EAA member you must be a member in good standing (pay your dues). All new members need to get a login from Wiley author services to Wiley Online Library (<http://onlinelibrary.wiley.com/>). Wiley sends this login based on the membership lists updated by the EAA Secretary and Treasurer every year.

- **How to get login and password:**

To access the journal first time content please follow these three steps:

1 - Register

- Go to Wiley Online Library [Registration page](http://onlinelibrary.wiley.com/user-registration) (<http://onlinelibrary.wiley.com/user-registration>) and follow the on screen instructions. You will get activation instructions send by mail (see p. 3). If you have previously registered on Wiley InterScience your details have been migrated and you can log in with the same username and password.

2 - Login

- Go to [Wiley Online Library](http://onlinelibrary.wiley.com/adlogin) Homepage (<http://onlinelibrary.wiley.com/adlogin>) and login at the top right hand of the page.

3 - Activation Instructions

- Go to [Subscription Access](http://onlinelibrary.wiley.com/adlogin) (<http://onlinelibrary.wiley.com/adlogin>)
- Enter your Customer ID:     XXXXXXXXXX
- Enter your Access Code:     XXXXXXX

You will now be able to access the journal content as part of your complimentary subscription(s). Bookmark [Wiley Online Library](http://onlinelibrary.wiley.com/) homepage for your next session and login using your email address and password. Access to online journal content is for personal use only and your password should be kept confidential.

- **Advantages of being a Registered User on Wiley Online Library:**

- ✓ [Receive email alerts for new content](#) and saved searches
- ✓ Save articles, publications and searches to your profile
- ✓ Receive email updates and promotional offers on Wiley books and journals relevant to you
- ✓ Track your accepted article if you are a journal contributor (author)

- **How to access if you are a registered user:**

The system will remember your e-mail if you click on 'Remember me' within the login box, so you should be automatically logged in every time you open your browser on a computer you use daily. If this does not happen, and if you are already a registered user, go to step 2 above (<http://onlinelibrary.wiley.com/adlogin>) and login.

- **What to do if you forgot your password:**

When you open *Andrology* website:

[http://onlinelibrary.wiley.com/journal/10.1111/\(ISSN\)2047-2927](http://onlinelibrary.wiley.com/journal/10.1111/(ISSN)2047-2927)

(or go directly to Wiley Online Library, see above) and look at the top of the screen, on the right, there is Wiley Online Library Login. If you do not remember your password, click on [Forgotten Password?](#)

The system will send you a temporary new password, which you can then change.

If there is a problem contact them by mail: [WileyOnlineLibrary@wiley.com](mailto:WileyOnlineLibrary@wiley.com)

Please DO NOT send mails asking for password to the Editor-in-Chief or the EAA Officers.
