

# **TALENT : Transition and Adolescence - Endocrine diseases management**

## **1<sup>st</sup> Conference and Study Group**

**( HOTEL NH VIA VENETO or RESIDENZA DI RIPETTA – Rome - 13-14-15 December 2018 )**

**ESE and EAA endorsement requested**

(The conference is in English and simultaneous translation by headphones will be provided)

\*\*\*\* as by EAA sponsorship rule NO FORMAL INVITATION AS BEEN DONE while awaiting for EAA Educom Committee Evaluation)\*\*\*\*

----- - **13 December 2018** - -----

### **OPENING**

13.00-14.00 *Registration and Buffet lunch*

14.00-14.30 *Welcome and Introduction*

Prof Andrea Lenzi (SIE), Prof Marco Cappa, Prof. Cianfarani (SIEDP), C. Krausz (EAA), G Corona (SIAMS), V. Toscano (AME), Representatives from the Ministry of Health, University Dean and Hospital General Manager

### **INTRODUCTION**

**Chairs:** Prof. Andrea Lenzi, Prof. Marco Cappa

14.30-14.50 *The importance of territorial networks in transition from endocrine and andrologic diseases* - **Prof. A. Lenzi (Rome, Italy)**

14.50-15.10 *The integrated transition age clinic* – **Dr. GM Ubertini (Rome, Italy)**

### **15.30-16:00 OPENING LECTURE**

**Chair:** Prof. A. Pontecorvi

*Thyroid hormone replacement throughout the life-span* - **TBD (Ita)**

16.00-16.20 *Coffee break*

### **FIRST SESSION – TALENT for ADRENAL & METABOLISM (SIE Symposia)**

#### **Symposium 1**

**Chair:** Prof S.M. Corsello, Prof. ssa M. Segni

16.20-16.45 *Congenital Adrenal hyperplasia: management from pre-natal to the adult age* - **Prof V. Toscano (Rome, Italy)**

16.45-17.10 *Primary adrenal insufficiency: new therapeutic strategies* - **Prof A.M. Isidori (Rome, Italy)**

17.10-17.35 *Adrenal carcinoma* - **Prof. R. Pivonello (Naples, Italy)**

**17.35-18.05 MEET THE EXPERT I**

Chair: Prof. A.M. Isidori

*Paediatric Cushing's disease* - Prof. A.M. Savage (London, UK)

**18.05-18.45 MEET THE EXPERT II**

Chair: Prof. E.A. Jannini (RM)

*Type I Diabetes in the adolescent : sex and rock-and-roll* – (TBD)

----- - **14 December 2018** - -----

**SECOND SESSION – TALENT for PITUITARY (ESE – European Society of Endocrinology Symposia)**

**09.00-09.30 MEET THE EXPERT III**

Chair: Prof. R. Pivonello

*Gigantism and dys-embryogenetic lesions of the sellar region (craniopharyngioma, germinoma, amartoma tumors)* - Prof. A. B. Grossman (Oxford, UK)

**Symposium 2**

Chair: Prof S. Cianfarani (RM), Prof.ssa A. Colao (NA)

09.30-09.55 *Isolated GH deficiency* - Prof. S. Loche (Cagliari, Italy)

09.55-10.20 *Isolated ACTH deficiency* - Prof. N. Di Iorgi (Genoa, Italy)

10.20-10.45 *Isolated gonadotropins deficiency and treatment* - Prof L. Persani (Milan, Italy)

10.45-11.10 *Prader-Willi Syndrome* - Prof. M. Cappa (Rome, Italy)

**11.10-11.40 MEET THE EXPERT IV**

Chair: Prof. L. De Marinis

*GH therapy in the transition age* - Prof. A.M. Savage (London, UK)

*11.40-12.00 Coffee break*

**12.00-12.30 MEET THE EXPERT V**

Chair : Prof.ssa A. Clerico

*Cancer survivors: the endocrine management* - Prof. Follin C. (Lund, Sweden)

**12.30-13.00 MEET THE EXPERT VI**

Chair : Prof. R. Pivonello - Prof. E.A. Jannini (Rome, IT)

*Facial Recognition in Pituitary Patients* - Prof. E.A. Jannini (Rome, IT)

*13.00-14.00 - Buffet lunch*

**THIRD SESSION – TALENT for ANDROLOGY (EAA – European Academy of Andrology Symposia)**

14.00-14.30 **MEET THE EXPERT VII**

*Chair* : C. Bizzarri (Rome, Italy)

*Precocious puberty* - **Prof. M. Maghnie (Genoa, Italy)**

**Symposium 3**

*Chair* : Prof C. Foresta (Padua, Italy)

14.30-14.50 *Klinefelter syndrome and aneuploidy 48-49 X, Y follow-up management and therapy*  
- **Prof. A. Radicioni (Rome, Italy)**

14.50-15.10 *Acquired primary testicular failure (Infections, trauma and iatrogenic harm)* - **Prof. F. Lombardo (Rome, Italy)**

15.10-15.40 **MEET THE EXPERT VIII**

Moderatore/ *Chair* : Prof C. Krausz (FI)

*Perspectives on cryoconservation of male fertility* - **Prof S. Schlatt (Munster, Germany)**

15.40-16.00 *Coffee break*

**Symposium 4**

*Chair* :

16.00-16.20 *Adolescent Varicoceles* - **Prof. D. Gianfrilli (Rome, Italy)**

16.20-16.40 *Sexual dysfunctions* - **Prof. G. Corona (Florence, Italy)**

16.40-17.10 **MEET THE EXPERT IX**

*Chair* : Prof. D. Gianfrilli

*Impact of endocrine disruptors and life-styles on pubertal development* - **Prof. A. Juul (Copenhagen, Denmark)**

17.10-17.40 **Concluding Lecture X**

*Chair*: Prof. A. Lenzi

*Rare diseases and European networks (Endo-ERN): opportunities, challenges and solutions for the best management of patients with rare endocrinological and andrological diseases in the transition age* - **Prof. A. Colao (Naples, Italy)**

**17.40-18:00 Conclusions and ECM questionnaire** (Prof. Andrea Lenzi, Prof. Marco Cappa, Roma)

----- - **15 December 2018** - -----

## **09.30- 13.30 WORKING GROUP MEETINGS**

*The working groups will meet and discuss emerging issues that came out from the lectures and open discussion during the previous two days. Each group will identify one problem and plan a solving strategy (in an editorial project). In subsequent 6 months, under the guidance of the coordinator, each group will meet remotely (skype / calls / email) to produce a collaborative editorial work (systematic review, meta-analysis, debate, etc....) on the selected topic. The organization will provide the necessary facilities and each supervisor will review, edit and sign the final product.*

### **GROUP 1: TALENT for Adrenal Disorders (Rare diseases Group)**

*Congenital Adrenal hyperplasia new therapeutic strategies*

**Supervisor: Prof. A.M. Savage (UK)**

**Group Coordinator: Dr M.C. De Martino (NA)**

Participants: *at least 3 participants from 3 different nations.*

### **GROUP 2: TALENT for Pituitary disorders (ESE Group)**

*Customization In Follow Up Management during transition age*

**Supervisor: Prof. A.B. Grossman (UK)**

**Group Coordinator: Dr E. Sbardella (RM)**

Participants: *at least 3 participants from 3 different nations.*

### **GROUP 3: TALENT for Andrology (EAA Group)**

*Update on the endocrine function of the testis in the transition age*

**Supervisor: C. Krausz (EAA)**

**Group Coordinator: Prof D. Gianfrilli (RM)**

Participants: *at least 3 participants from 3 different nations*

### **GROUP 4: TALENT for Fertility (EAA Group II)**

*Endocrine disruptors: damage in the transition age and consequences in adulthood*

**Supervisor: Prof. A. Juul (Denmark) or Prof S. Schlatt (Germany)**

**Coordinator: D. Paoli**

Participants: *at least 3 participants from 3 different nations*

13.00-14.00 *REPORT OF WORKING GROUPS*

14:00 ***Closing Ceremony and Lunch***
